How do I
watch TV
after I sign up
for
WideOpen
Blacksburg?

The following pages offer a glimpse into some of the services available for those using super fast fiber Internet connections.

- With WideOpen fiber Internet, you will be able to build a custom TV package by subscribing to a variety of online TV streaming services.
- Create something that uniquely suits your household or sign up for a Live TV package that matches your current cable package.
- ***Spend as much or as little as you like.***
- Stream Live TV, on-demand TV, and on-demand movies by combining one or more services.
- Most streaming services allow you to change your mind monthly using your laptop or your phone. No waiting on hold for customer reps to make changes!
- **NOTE: Most of these services require credit card and address info even for the free trial. Be sure to cancel before the end of the trial period to avoid charges!**

A large orange circle on the left side of the slide, partially cut off by the edge.

How to install streaming services after buying a wireless streaming device or Smart TV.

- Connect your new wireless device to your wireless service.
- Some TV's and devices come preloaded with many streaming apps. Take a stroll and scroll through your new device.
- Choose the app you want to try, then follow directions to sign up & enter billing information.
- If you don't see an app you'd like to use, find the smart hub or app store option on your device/TV, and search from there.
- If adding an app to your device is not easy to configure, use Google to search with the following search terms: "How do I add an app to my (brand) TV".
- Most of these streaming services require credit card and address info *even for the free trial*. **Be sure to cancel before the end of the trial period to avoid charges!**

Hulu + Live TV
